SEO Full Site Audit

Cost: $300
- 50% deposit and 50% at completion

Time Needed: About 1 week

Ongoing Optional Costs:
- Listed Separately on the back page

What's Included?

- Full site **SEO Audit** highlighting areas that could use improvement
    - Includes: On-page and off-page SEO suggestions
- Research of up to **20 keywords** for you to use throughout your site

What We Need From You:

- **Access to your WordPress website - username and login details**

- Completion of our initial questionnaire

How the Process Works:

- We go page by page, and up to 5 articles and examine each page against our SEO checklist.

- We will create a presentation outlining all the things needed to solve your SEO problems.

- We will then present you with a final copy based on your stated needs in the revision stage.
